Dedication of NNC Presidential Home Is Set

By Noreen DeJong

A beautiful example of "keeping in touch with nature" has been achieved by Dr. and Mrs. John E. Riley in the new NNC presidential home which was dedicated March 10, following a faculty-gents dinner at 9:00 p.m.

Under the watchful eye of Mrs. Riley, the "green thumb" of NNC, a color scheme was taken from nature—bronzes, greens and variations of green—has been carried out in the major portion of the spacious, L-shaped home.

From the covered large plate glass windows in the living room, one can view Kurtz Park, Samaritan Hospital, and the part of the campus including Morrison Hall to the gym. The Rileys chose this place to build their home because of the campus around which their lives are centered.

Designed mainly for all the entertaining a college president must do, this modern ranch-style home can be housing various social functions at the same time.

Faculty Will Present Dull Arts Program

Tonight at 8:15 the faculty will present a talent program. It will be a "Dull Arts Program," giving a side of the faculty generally not seen.

Mrs. Aller, Dr. Culver, and Miss Christianson will favor us with a trio. There will then be a faculty choir directed by Dick Tame. Dr. Ford will give a humorous rendering. Tom Kelly will perform. There will be a piano solo by Prof. Wilson. Dr. Aller, Prof. Stronger, Dr. Corbett, and a few others will make up a quartet. Prof. Roehes will play a baritone solo; there will be a reading by Prof. Skinnedy and a skit by Seps, the student personnel department.

A Glance With Les At World Events

Late last week, one of the Middle East's "strong men"—Gen. Mohammed Naguib of Egypt—was dropped from the presidential and premier's ranks by his country. For political reasons he was not able to continue his duties. In his place, the council named hard-boiled Lt. Col. Gamal Abdul Nasser, the driving force behind the army "coup" that ousted King Farouk from the throne 19 months ago.

A council communiqué declared Naguib was suffering from "a psychological crisis" and reported unanimous acceptance of a resignation it said he had submitted.

Although the council picked Nasser who had served as Naguib's deputy premier, to take over the premiership, it left the presidency vacant.

Two days after Naguib's ouster, he returned to power as president of Egypt. Under the compromise agreement, Naguib will come back only as president. He will relinquish his old secondary title of prime minister to Nasser, who engineered his overthrow two days before.

British diplomatic sources said it was too early to speculate on what effect the change-over might have on the Middle East situation or relations over the Suez Canal, a sore point in relations between the two countries.

At the left, made by Mrs. Riley, cover the large plate glass window which affords a view of the patio.

Mr. and Mrs. Riley chose this place to build their home because of the campus around which their lives are centered.

Designed mainly for all the entertaining a college president must do, this modern ranch-style home can be housing various social functions at the same time.

Spring has sprung, and a young man's fancies turns to thoughts of tennis and baseball, it seems. At least that's the case around this campus and every day finds more and more enthusiasts on the courts battling a little white ball back and forth. With the basketball boys checking in their tennis shoes for a pair of cleats and Darrel Reiseling digging up the horsehoe pits, it looks like spring is here, at least temporarily.

Now that the home season for baseball is open, it might be good time to throw bouquets at a few of the people responsible for the fine year. With the season in full swing (perhaps a little too early) we should congratulate Monty and the boys for the fine record they have hung up and the fine attitude they've shown throughout the schedule. We're going to miss Monty next fall but he's going to be entirely out of our thoughts, since he's going to real estate or something like that. He says he has a few choicier lots on the west side of town.

Also, we should get Wilbur Harris, the band director, in on this receiving list. The fine work he handled all season and the cooperation he's shown the students with his time and effort, is greatly appreciated. As far as we're concerned, the band has been better than ever. With so many others that have helped to make this year a success, we want to thank them all, such as C. N. G., the Boosters Club and the "N" club.

We want to clear up a little situation that occurred the other night at the Millia-Cunningham playoffs. It appeared that Russ Miller was Miller and was shaken up for some reason or other and couldn't seem to hit very well. Russ was under the pressure of a big blind date set up by "Flash" and couldn't play his usual brand of ball.

The LSPs were the surprise team in the opening meeting last Monday, called by Roy Butchart, track coach.

**Track Squad Elects W. Aller As Captain**

Members of the 54 track squad elected Wayne Aller as their captain in the opening meet last Monday, called by Roy Butchart, track coach.

**Expected to see action this year are Wayne Aller and Floyd Johnson in the sprints and hurdles. Dick Powers in the 440 and 330-yd. run; Winston Miller and Mick Dean, broad jump and weights, along with a host of newcomers.**

**Rick Harris will be high jumping and has started the season off right with near six-foot jumps. Jim Harris is scheduled to hold down the pole vaulting to the Idaho state high school meet next year. Coach Butchart has every confidence in this group. A full schedule is expected.**

The Millia-Cunningham Trophy Is Taken By Scrapy ADPs

Alpha Delta Phi, champions of the Millia-Cunningham, proved their worth as, led by big Carlyle Dean, they won the annual Millia-Cunningham championship playoff. Carlyle dropped in 25 tallies to lead his team to a 64-58 victory over the SLAs, co-finalists.

The ADPs gained the finals by beating the Olys, 65-29, Jim Harris posted 18 counters to lead in that department. An interesting factor in this game was that, of the ADPs forward wall, Russ Miller was the shortest. With Russ were Carlyle Dean and Tom Lowry.

Earning the right to play in the finals by whipping the LSPs, 54-24, is the ADP girls. With six counters, the team led by Carlyle Cantonwine was second with 35 points following the ADPs.

The ADP girls trampled the ADPs to take the coveted Long-Hibbard-Wesche trophy. Second place finishers in regular season play, the LSPs, rallied in the post-season playoffs to win the coveted Long-Hibbard-Wesche trophy. The LSPs, regular champs. Bob Cantonwine of the SLAs pulled in most of the scoring honors. Playing in five games, he hit on 56 field goals and 15 free throws for a total of 127 points, or 25.4 points per game. The number of field goals, the total number of points and his average were all new for the team.

The SLAs were led by Cantonwine with 20 points. High for the ADPs was Merv Gale by collecting 12 points. Second best was Bob Cantonwine with an average of 15 points per game. Jim Harris led the music at all the games and 12-loss record. Coach Butchart has several promising freshmen.

Big Bob Cantonwine

**Cops Scoring Honors**

Although the ADPs wrapped up championship honors, Bob Cantonwine of the SLAs pulled in most of the scoring honors. Playing in five games, he hit on 56 field goals and 15 free throws for a total of 127 points, or 25.4 points per game. The number of field goals, the total number of points and his average were all new for the team.

The champion ADPs led in four departments as a team, and two players had records for themselves.

The team leader in field goals made 114; free throw percentage, .516; average points per game, with 369, and average total points for the season, with 564. Merv Gale made the most free throws, 18, and Carlyle Dean showed the best free throw percentage, .603. Three LSPs also played in all the games.

Brown Deals Leads Points

Wally Brown of the LSPs had the most fouls, 20, to lead all others in that department. They had three players who participated in all six games.

**LSP Girls Trample ADPs To Take Coveted Long-Hibbard-Wesche Trophy**

Second place finishers in regular season play, the LSPs, rallied in the post-season playoffs to win the coveted Long-Hibbard-Wesche trophy. With six counters, the team led by Carlyle Cantonwine was second with 35 points following the ADPs. The ADPs gained the finals by beating the Olys, 65-29, Jim Harris posted 18 counters to lead in that department. An interesting factor in this game was that, of the ADPs forward wall, Russ Miller was the shortest. With Russ were Carlyle Dean and Tom Lowry.

Earning the right to play in the finals by whipping the LSPs, 54-24, is the ADP girls. With six counters, the team led by Carlyle Cantonwine was second with 35 points following the ADPs.
